Dear Sir/Madam,

Thank you for allowing public comment on Project 3018093 at 9666 51st Ave S.
Please hold a public meeting to review the environmental and land use issues of the proposed clear-cutting of a large wooded lot bordering Kubota Gardens. We need to preserve our mature tree and tree canopy for future generations. This kind of development needs to be reviewed and done in a way that preserves our trees and habitat.

Sincerely,

Annie Thoe
